1959

THE 1959 **ARGO**
WESTMINSTER COLLEGE
NEW WILMINGTON, PA.

HUGH FERGUSON, ED.

Foreword

You, an alumnus, will in your later years see Westminster's campus not as an integral part of your college life, but as an outsider looking in.

In this book you will look into the inner workings of administration, into laboratories of science, you will dimly see through smoke-coated windows the brotherhood of Greek organizations. Our camera shows, above all, the magnificent windows of the chapel, symbolizing the Christian ideals of the College.

The Titans of ancient Greece have said, "Know thyself"; the Romans practiced the philosophy, "Be thyself"; Jesus the Galilean said, "Give thyself." The *Argo* staff, endorsing all three of these ancient philosophies, welcomes you, the reader, to "See thyself."

The students of Westminster College take pride in dedicating the 1958 Argo to Mr. Alfred O. Shaffer, the man who is largely responsible for the beauty of our campus. As the Superintendent of Buildings and Grounds, Mr. Shaffer has contributed many years of invaluable service to the maintenance of the physical plant of the college.

Born near Greenfield in Mercer County, Pennsylvania, Mr. Shaffer received his education at the Lackawanna public schools. While attending school he was interested in music and took an active part in church singing. Mr. Shaffer started to work as an apprentice in the building industry, first as a stone mason, then as a plasterer. Later he became a plastering contractor in Sharon, Pennsylvania.

Because of his competence in the fields of carpentry, electricity and heating, Mr. Shaffer was invited to become the Superintendent of Buildings and Grounds in 1932. Under his capable leadership the department, whose headquarters were located in a barn near the present site of Galbreath Hall, became quite well organized. When the barn burned down in 1940, destroying most of the equipment, the headquarters was moved to the basement of Hillside Dormitory.

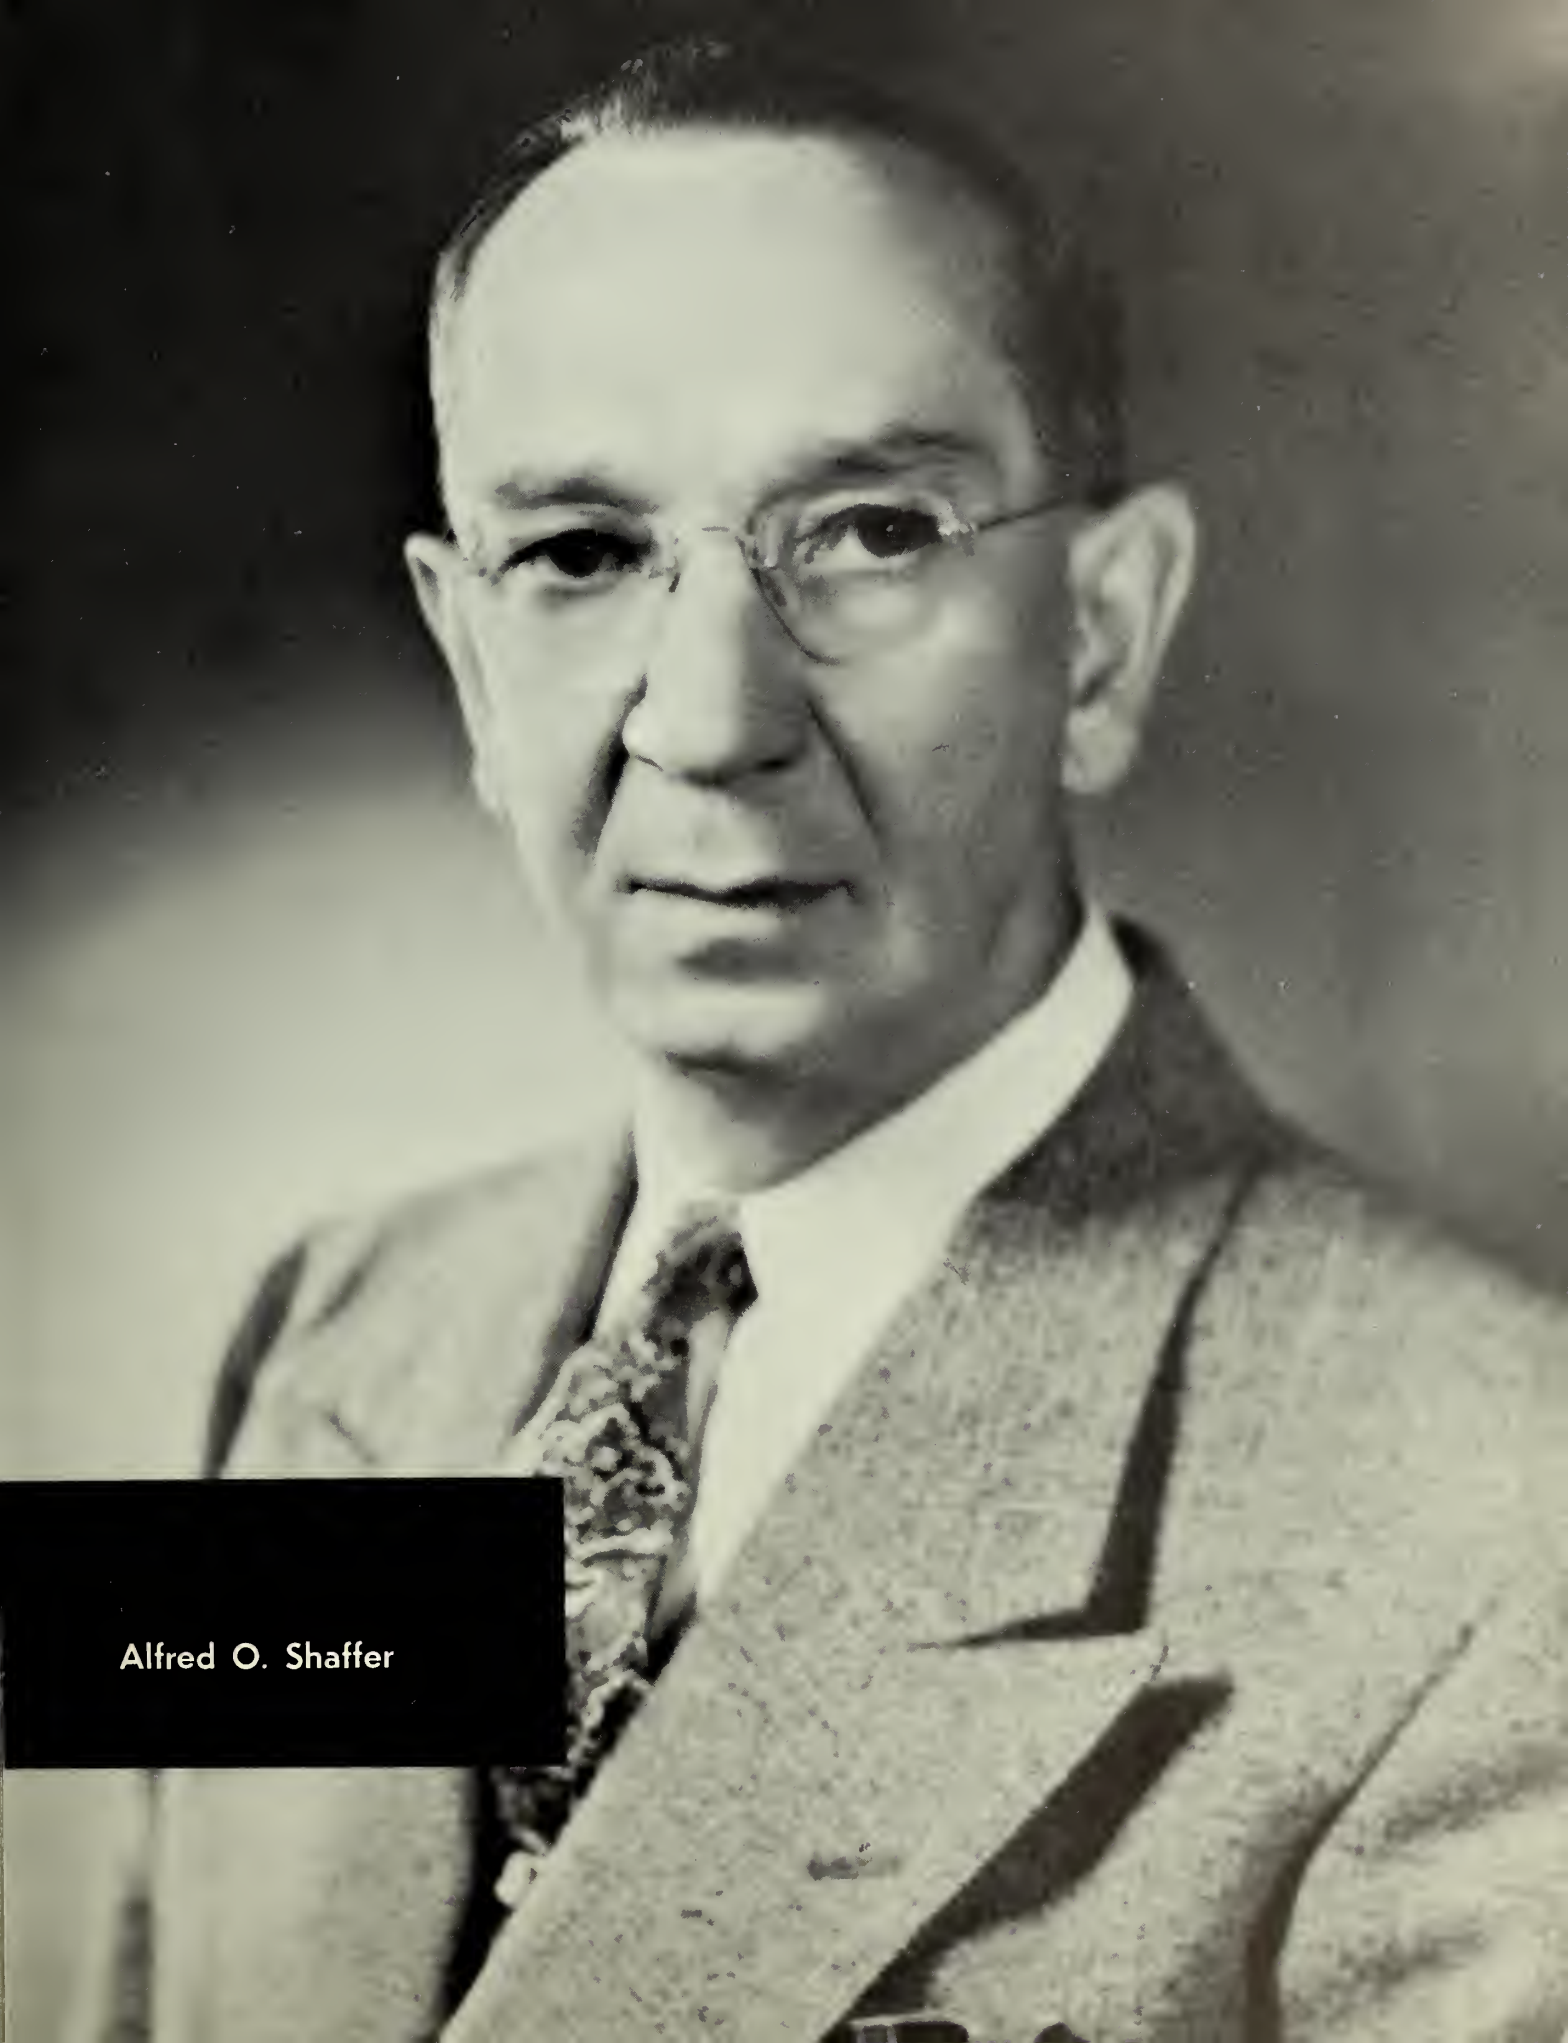

After his service in France during World War I, Mr. Shaffer married Dorothy Steel. They are the parents of three children, two sons and a daughter, and are the grandparents of five.

Mr. Shaffer has served as a deacon and is presently an elder in the New Wilmington United Presbyterian Church. Through the years he has used his spare time to pursue his interest in buying and remodeling homes.

Mr. Shaffer's major concern has always been the beautifying and landscaping of the campus. He supervised the planting of all the lawns on what is now the quadrangle. He has devoted himself tirelessly to the college, working late many nights and being called out often when things have gone wrong.

With deep gratitude we dedicate the 1959 Argo to Mr. Alfred Shaffer, a man whose contribution to Westminster College cannot be measured.

Dedication

Alfred O. Shaffer

The College

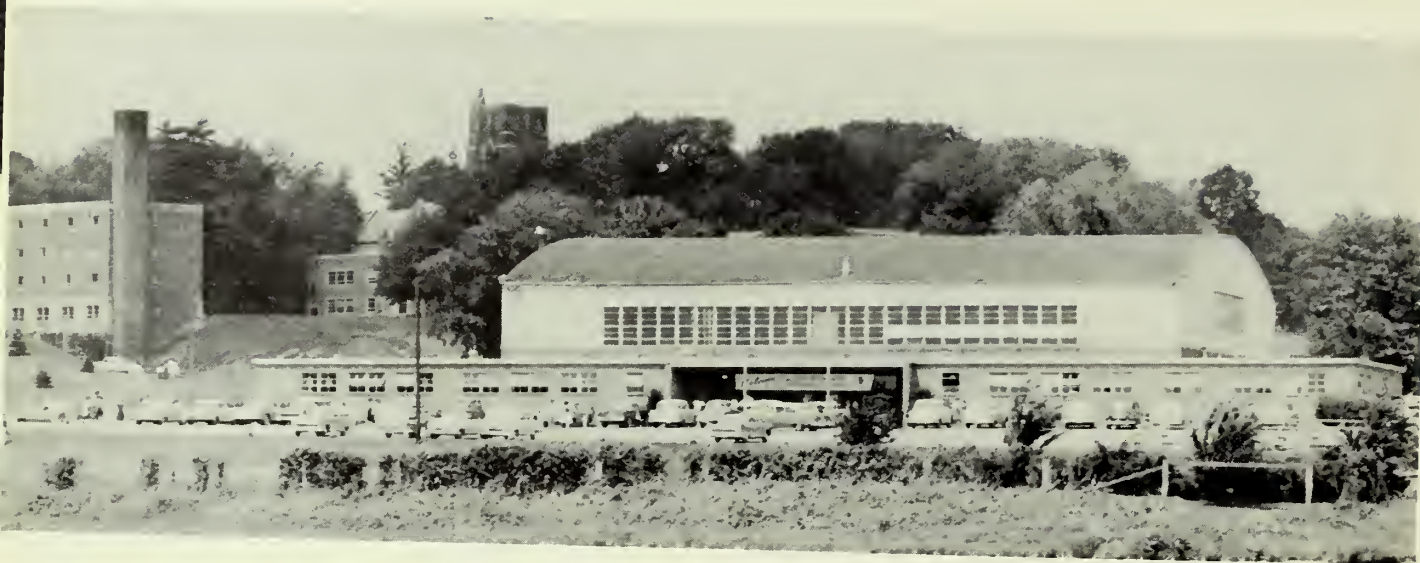

Who can define a college? We know it is not a location, a campus, a building, or a classroom. Are the students the college? If so, there are as many different definitions of Westminster College as there are students. For college is an experience, and as such it cannot be the same for any two people.

All experience changes us. So there has been a change in you, too. We see the world through different eyes than we did four years ago. We came to college, not knowing what was ahead; on the blank wall of life we wrote four years. Those four years make up our conception of Westminster College.

We can't write nine hundred definitions of our College. Here is the campus in pictures . . . we leave the rest to you.

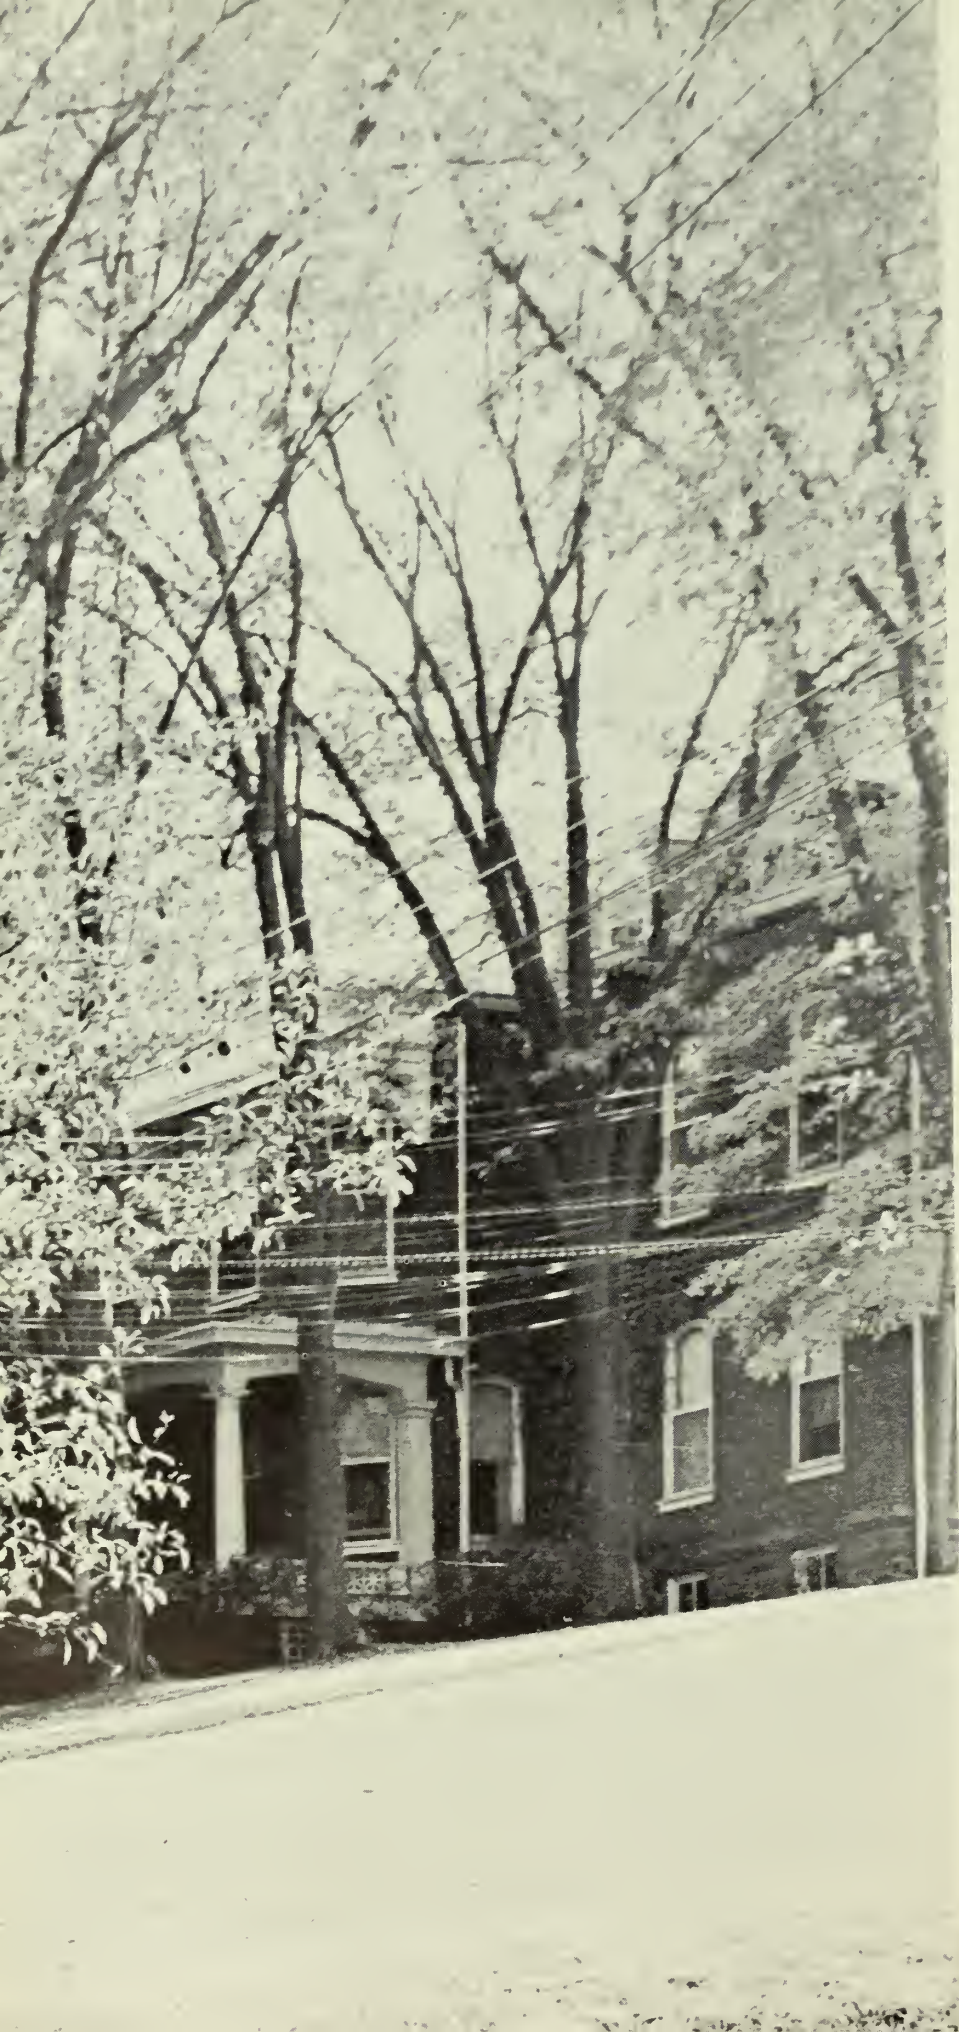

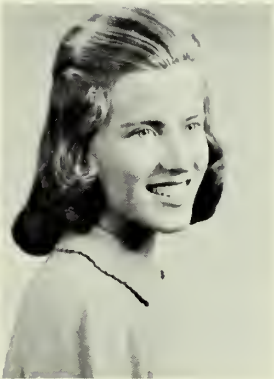

The Glenn Miller band, directed by Ray McKinley, introduced the 1958 Homecoming weekend by playing for the Dance of the Year, held at Youngstown's Idora Park. The highlight of the dance was the crowning of Queen Jane Houtz, a junior from Coraopolis, Pa. Candidates represented the six national sororities and Quadrangle, and they were voted on by the men students.

Students spent Saturday morning on tours of the campus, seeing the displays provided by the fraternities and dormitories. The sororities' floats were viewed before the game. In a close contest the judges selected Alpha Sigma Phi as having the best fraternity decoration; Hillside dormitory won their division and Theta Upsilon won the sorority competition.

The Titans presented the returning alumni a 7-0 victory over Geneva College in a well-played game that clinched the West Penn Conference Championship for us.

The student-alumni dance was held Saturday night in the Walton-Mayne Union Building. It was the first dance to be held in the new student union, and it proved to be a great success.

On Sunday afternoon the choir, directed by Mr. Clarence Martin, presented Handel's "Creation" in an excellent performance that provided a fitting finale to a successful Homecoming weekend.

Dear Friends:

Memory has value far beyond dollars and cents. This book is designed to help you hold in memory some of your college days.

Here you will find how things appeared when you were in college. Since changes occur from year to year, you may find it difficult to recognize once familiar scenes when you return for your tenth or twenty-fifth reunion. This Argo records for you the campus you knew and loved.

People also change. Some of your classmates will change greatly in the next few years. You will also change. This edition of the Argo is a permanent record of just how you and yours appeared as college students.

It is therefore, a book to be treasured. It will increase in value as the years pass by. It will help to sweep the dust from events covered over by time and distance.

We sincerely hope that you will want to remember all your college experiences.

However, college cannot be recorded in a book. It is my earnest prayer that at Westminster you may have secured an adequate education for life. Life's hardships will strengthen you, its joys will comfort you, and its sorrows will keep you humble before God.

I wish for you all that you deserve.

Sincerely,

Will W. Orr

Dean of Women

Martha B. Whitehill B.A., Grove City College

After arriving at Westminster College in September, 1949, Mrs. Martha B. Whitehill was for six years the resident director of Ferguson Hall. In 1955 she was appointed Dean of Women and has remained in this office since that time.

Mrs. Whitehill is a native of western Pennsylvania, having graduated from Aliquippa High School in Aliquippa, Pa. She was formerly a teacher in Freedom, Pa., and she later returned to Aliquippa to teach remedial reading and music in the public schools.

Because counseling constitutes the major part of her work, she is faculty adviser to Student Council, Student Conduct Committee, and Pan-Hellenic Council. Her office is open to all student women faced with a particular type of problem.

Graham M. Ireland B.BA, Westminster College,
M.BA, Western Reserve University

Mr. Graham M. Ireland, a man who has had a career in business, is a new arrival to the campus this year, having accepted the position of Dean of Men. He is also serving as an instructor in the department of Business Administration.

Mr. Ireland graduated from Westminster College as a Business administration major. He has worked with American Airlines and returned to Westminster from the treasury department of the Republic Steel Corporation. Both Mr. and Mrs. Ireland have served on the New Wilmington Missionary Conference staff.

The Dean of Men is also a position which requires a great deal of counseling and advising. Mr. Ireland serves as adviser to Student Council, Student Conduct Committee, and Inter-Fraternity Council.

Dean of Men

John R. Edwards, Jr. B.S. in Ed., Kent State University,
M.S., Ohio University, Ph.D., University of Pittsburgh

Known to all the students for his warm, outgoing personality is Dr. John Edwards. Before receiving this post in 1957, he taught psychology and education and served as Dean of Men. His position requires a great deal of public relations activities, and he serves as Director of Placement. This bureau is a service to graduates who are searching for positions.

Dean of Admissions and Placement

Academic Dean

John H. Forry B.S. in Ed., Millersville State Teachers College,
M.A., University of Pennsylvania, Ph.D., University of Pittsburgh

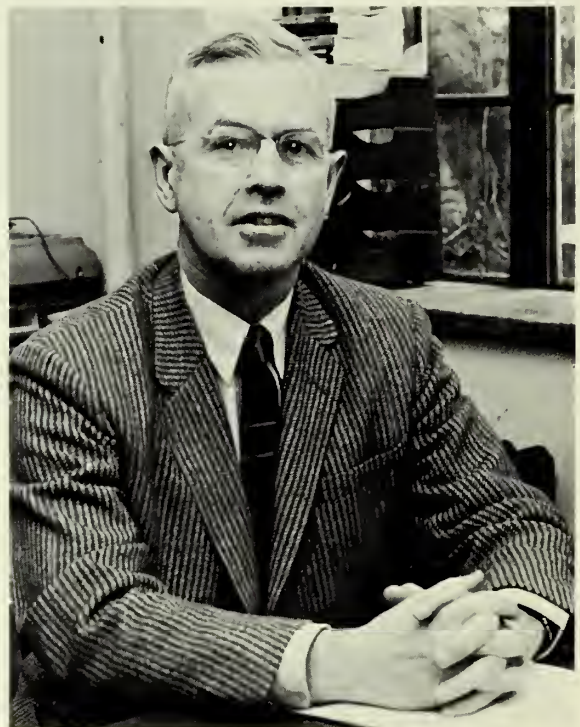

As Academic Dean, Dr. Forry has established a fine record and has won the respect of both faculty and students. Among his many duties are coordinating the curriculum, planning registration procedures, assigning students to advisors, and serving on various committees.

Dr. Forry is an enthusiastic and skillful tennis player and also enjoys gardening and hunting. He is well known for his fine assistance in Shakespearian productions at the college. His Shakespeare course is extremely popular with students of varying interests as well as English majors.

Dr. Forry has taught in elementary and high schools in Pennsylvania. He came to Westminster as an English instructor in 1946. In 1953 he became Professor of English and Academic Dean of the college.

Art

Carl H. Larson

B.S., New Haven State Teachers College

M.A., Teachers College, Columbia University

While passing through the library, many students stop to admire or criticize the student art work exhibited there. There are samples of work done in such courses as elementary design, interior decorating, commercial art, and ceramics.

The department looks forward to the completion of the new Fine Arts building, which will provide many more facilities than are now available. When this program is completed, the art department will concentrate on training students to teach art on the college level.

With required basic Bible courses and more advanced subjects for Bible majors, this department is an important one at Westminster. The staff looks forward to a reorganization of required courses, so that these courses will build upon one another.

Christian Service Group, Christian Youth Fellowship, and Karux, the pre-ministerial group, are supported by this department.

The Biology Department prepares students for work in medicine, dentistry, nursing, and medical technology. General Biology is also offered for non-majors. The department hopes to fulfill its goal of expansion, not only numerically, but by the types of work done. This year the seminar program is being changed by combining seminar work with thesis requirements.

The department sponsors a chapter of Beta Beta Beta, the national honorary in biology.

Business Education is a thriving field at Westminster. The department attempts to prepare students for work in business offices or the teaching field. The four-year course emphasizes preparation for executive and supervisory positions.

Mr. Galbreath, the head of the department, is an alumnus of the college, and has taught here since 1942. He is especially interested in the use of audio-visual aids in the classroom. Rho Gamma, the business honorary, is named in his honor.

Mr. Barbe

Without a doubt, the busiest people on campus are speech majors. This year saw the institution of a campus radio station, WCRW, organized and operated by students, broadcasting six days a week. Honoraries for dramas and debate are also sponsored by the Speech Department.

Student Council

Student Council increased its scope of campus government this year to include the handling of campus car regulations and the Student Union Committee. Student Council has traditionally taken charge of Hell Week, Homecoming Weekend, Sing and Swing, and Vocational Guidance Day.

Serving as the voice of the student body, Student Council holds open meetings and invites participation from the entire college.

The group was ably led this year by President Al Wheeler.

Student Conduct Committee

The Student Conduct Committee is composed of four students and four teachers, including the two Deans. There are two members from Senate, one from IFC, and one from Student Council. The task of this representative group is to deal with cases of misconduct by students on or off campus. The committee hears cases and then makes recommendations of disciplinary action.

Senate

Working for the good of the women on Westminster's campus is the governing body, Senate. There are seventeen members on Senate, representing sororities, dorms, and student conduct committee. With Jan Zima as president, Mrs. Martha Whitehill and Miss Elsie Hileman are Senate's advisors.

The organization's purpose is to formulate and enforce regulations, to foster high social standards, and to promote the interests of the students.

During the year, Senate held a midnight movie and a party for freshmen women.

Each year a distinctive honor is bestowed upon outstanding seniors of the college. This honor is that of being named to "Who's Who in American Colleges and Universities," a group representing over seven hundred fifty colleges and universities in the United States. This representative group is chosen by members of various campus organizations and members of Student Council. The qualities and character on which they are judged are based on scholarship, campus leadership, personality, character, and potentiality in the future. The *Argo* staff congratulates the fifteen seniors named for this year.

Mortarboard

Chosen on the basis of scholarship, quality of activities, and personality, the members of Mortarboard, the national senior women's honorary, sponsor throughout the year a program of counselling for freshman women. In addition to Donut Day as a money-raising campaign this year, they sponsored "Buy an Hour" in which women were permitted to leave the dorms from 10:00 to 11:00. The group was guided by President Peggy Black.

Phoenix

Phoenix, the local men's honorary, has served the college by helping to orientate the freshmen and acting as scholastic advisors to any men who seek assistance. Since their primary goal is to become affiliated with Omicron Delta Kappa, national men's honorary, the members have worked hard to secure the funds necessary to petition for a charter. Jack Mansfield served as president of Phoenix.

Row 1: Mr. Colton, J. McCall, Mr. Smith, G. James, J. Mansfield, Dr. Sponseller. *Row 2:* A. Wheeler, W. Rankin, R. Palisan, J. McLaren.

Pi Sigma Pi, local scholastic honorary, selects its members from students who have attained the goal of a 2.4 average or better at the close of five semesters of work. The members must also be eligible for the B.A., B.S., or B.M. degrees. The annual book drive is under the sponsorship of this organization with the goal of increasing the number of volumes contained in McGill Library. The ultimate aim and hope of Pi Sigma Pi is to become a chapter of Phi Beta Kappa.

Cwens

The familiar white sweaters bearing the red insignia of Cwens are worn by the members of the sophomore women's honorary. Cwens are chosen each year on the basis of leadership, scholarship, character, and service. In addition to fulfilling their main purpose, which is to help freshman women, the Cwens, through the Save A Child Federation, have given aid this year to an American Indian child. Janet Foster served as president.

Pictured in this book are people and places you will always associate with Westminster College. The highlights of your college days—the classes, the friends, the organizations—are recorded here in the hope that in years to come you may find pleasure in reliving your college years.

The Argo staff has enjoyed the experience of working on the 1959 edition. We hope that you, in turn, will find enjoyment in this book.

Scrawl

Literary Magazine

Creative literary talent at Westminster finds welcome expression in the campus magazine *Scrawl*. Each year two issues containing prose and poetry composed by the student body are printed. The various themes and interests contained in this magazine offer enjoyable and often thought-provoking reading. Student participation is stimulated through the offering of prizes for outstanding contributions in either the poetry or prose sections. Edited by Al Wheeler and supported by a highly selective editing staff, the Fall 1958 and the Spring 1959 issues were not only outstanding, but also unique.

One of the main purposes of *Scrawl* is to keep the literature published which not only reflects student feelings and philosophy, but also to remain within the realm of legitimate literature.

Information Please

During the first semester of each school year, a diligent committee of college students publishes a helpful guide booklet *Information Please*. This booklet furnishes a directory of the students' home addresses and fraternity listings. The directory has proved its worth many times over to hopeful swains, to students who wish to send Christmas cards or to receive vacation news, and to many distraught faculty wives who need baby sitters. *Information Please* also provides the addresses and telephone numbers of faculty members of the administrative staff. This year's staff is headed by Charles Herrick, 1959 editor.

Another convenient feature of *Information Please* is the addition of the complete social calendar for the year as it is arranged by the extracurricular committee.

Interfraternity Council

Interfraternity Council is the supervisory and policy-setting organization of the four national fraternities. The Council is the chief representative organization between fraternities and the administration. Composed of three members from each fraternity and the Dean of Men, IFC establishes and administers policies of rushing, pledging, social events and interfraternity, intramural athletic competition. The organization annually acts as co-sponsor with Pan-Hellenic Council of Greek Weekend. As a service project, IFC contributes to a special fund used for the support of a foreign student on Westminster's campus.

J. Vignovic, Sec.; W. Rankin, Vice-pres.; D. Scott, Pres.; B. Fast, Treas.

The all-important job of co-ordinating the activities and solving the problems of six busy sororities is assigned to Pan-Hellenic Council. Two girls from each sorority, one of whom is the president, are members of Pan-Hell.

This organization has charge of sorority rushing, pledging and activation. It often serves as an intermediary for the sororities and administration. In the spring Pan-Hell holds a special program for the newly-elected sorority officers to familiarize them with parliamentary procedure. Another project at this time of year is Greek Weekend, which Pan-Hell organizes in cooperation with Interfraternity Council.

Alpha Gamma Delta

Two of the many pleasant memories which launched the Alpha Gams' fall semester were the Sing and Swing win of 1958 and the tea which was given in honor of the Alpha Gamma Delta patroness, Mrs. Elmer Beecher Russell. A portrait of Mrs. Russell, painted by Miriam Fox, is now hanging in the new chapter room in Ferguson Hall. They also caroled at Mrs. Russell's home before Christmas vacation.

One of the special projects for the sorority this year was the furnishing of the chapter room. The annual Halloween party for the sororities was held in the tunnel which connects Browne Hall and Ferguson Hall. Alpha Gamma Delta also raised money to contribute to a cerebral palsy fund by selling candy.

One of the first items of interest for the Beta Sigma Omicron sorority this year was an account of the National Convention held last summer at Ft. Lauderdale, Florida. The Beta Sigs particularly enjoyed celebrating Founder's Day and Christmas at the same time at a party in the home of Beta Sigma Omicron patroness, Mrs. Paul Musser.

February was a special month, for the dinner dance in honor of the pledges was scheduled in Mercer. A party for the children at the Mercer Children's Home was a featured project, and the annual Beta Sig Ice Cream Social was enjoyed by all the sororities in May. The Beta Sigs can look back on a year of industry, good times, and many happy memories.

Chi Omega

The school year of 1958-59 was a busy and memorable one for the Chi Omegas. The pledge class of twenty-seven girls was treated to a special Ski Lodge theme at the Chi Omega final rush party. The Chi Omegas were proud to have Phyllis Guresik as their candidate for Homecoming Queen, and were equally proud to win honorable mention for their Homecoming float, "Raid 'Em, Titan."

The annual Pancake Breakfast for all sororities was held in October at the Alpha Sigma Phi House, and the Eleusinian Dinner was given in November at the She-nango Inn for the Chi Omegas and alumnae from surrounding areas. The traditional Christmas party was held at College Hall.

Kappa Delta

Kappa Delta brought in the fall season by observing Founders' Day in October. On this day the KD's worshipped together in evening Vespers. The annual Koffee Kozy was given for all sororities. Along with a Christmas party, the girls sold Christmas seals, using the proceeds to aid crippled children in Richmond, Virginia. A Christmas basket and tree were presented to a needy family in New Wilmington.

In the spring the girls entertained and treated the children of the Mercer Children's Home to an afternoon picnic on campus. The pledge who was outstanding in scholarship was honored at a banquet in the spring, and an award was presented to an organization doing outstanding work in orthopedic research.

This was indeed a memorable year for Kappa Delta.

Parties and Altruistic projects comprised the largest part of the Sigma Kappa social year. Among the first events of the winter were the Patroness Coffee Time and the annual Ski Lodge party. Christmas parties were held at Overlook and Elmira, and the actives also held a Christmas party in honor of the pledges. Along with the usual bundles of clothing, mittens were sent to a farm school in Greece as a Christmas present. Another one of the Sig Kap's altruistic projects was helping to support the Maine Sea-Coast Mission and each week the girls send favors for the dinner trays at Overlook Sanitarium.

To open the new year, a Housemothers' Breakfast was held in January, and a party was given later in the spring for the children at the home in Mars, Pennsylvania.

Theta Upsilon

By winning first place in the Homecoming Contest with their float, the TU's started the fall term enthusiastically and continued in a similar fashion throughout the entire year.

A pledge dinner was held in October. Other activities during the fall and winter were a slumber party and a Christmas party in the chapter suite. The pledges were honored at the Christmas house party.

In February, the actives had their turn at the party given for them by the pledges. Another February activity was the "TU Donut Dunk." The girls made a visit to the Elmira Home and were busy with Greek weekend and Sing and Swing. The Spring Formal was their last event of the year.

This has been a memorable year for Quadrangle, women's independent association. Activities started quickly in September with parties for freshmen.

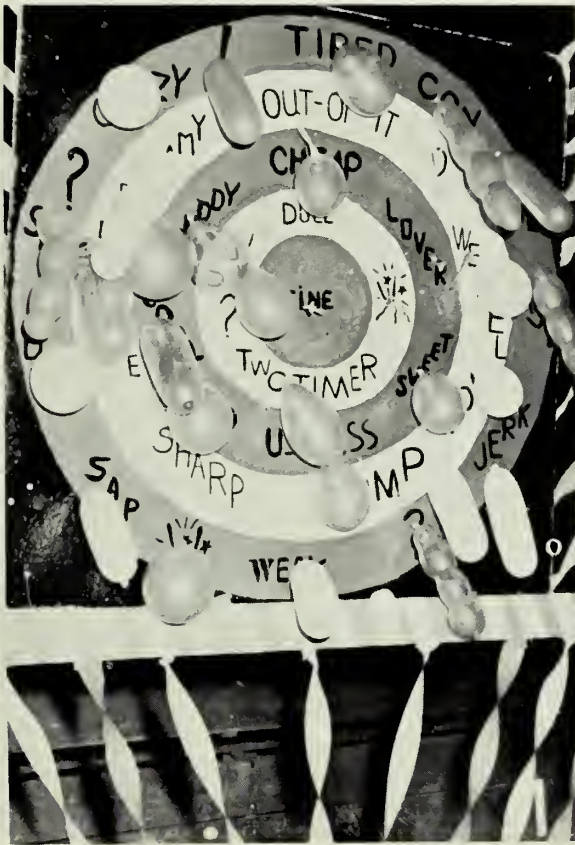

Faculty sponsor, Mrs. Means, and the two patronesses, Mrs. DeHaas and Mrs. Cobb, have given much appreciated help throughout the year's program, which included bowling and movie parties, and the annual "sit and sip" in April. Also, Quadrangle members will never forget the Christmas party sponsored for the children's home in Mercer. For this occasion a sock tree was built, from which the socks went to the children in the home.

Selling clothes brushes and address labels were also successful projects.

Quadrangle is nationally affiliated with National Independent Student's Association.

Alpha Sigma Phi

The men of Alpha Sigma Phi began a successful year early by capturing both the softball championship and the Sing and Swing trophy last spring. Their fall activities were highlighted by winning first place in fraternity Homecoming displays. As a Christmas project, the Alpha Sigs gave a Christmas party for underprivileged children of the community.

In the field of intramural sports, the men drove on to win the school intramural football championship.

Alpha Sigma Phi looks back on 1958-1959 as one of its most outstanding years.

Phi Kappa Tau

A successful year for Phi Kappa Tau was introduced by the victory of Don Thomas as the I.F.C. King last spring. Running as pseudo-rocket expert, D. T. Von Holst, he was backed by successful and imaginative campaigners.

The big news at the Phi Tau house this year was a highly successful rushing season climaxed by the largest pledge class in the history of the chapter. Forty-six pledges were introduced at the Christmas house-party, following the end of the rush season.

A Spring Dinner Dance at the Shenango Inn climaxed a rewarding year for Phi Kappa Tau.

Sigma Nu

The Sigma Nus captured the fraternity touch football championship, followed by a victory in the pre-season basketball tournament. The rest of the athletic year looks quite promising and they are looking forward to successful seasons in the remaining intramural sports.

Socially, the year was characterized by several house parties. The Christmas formal was held at The Jacktown Hotel in Pittsburgh, Pennsylvania.

After moving into a larger house on the edge of town and with the acquisition of a fine pledge class, the Sigma Nus are well-pleased with the year's activity.

Sigma Phi Epsilon

The Sig Ep's first social activity of the year was a highly successful houseparty with a novel Calypso theme. The basement was decorated complete with sand, palm trees, ocean and coconuts. In December, the new pledges, members and their dates celebrated a fine pledging season at the Monte Carlo houseparty.

The Christmas formal was held at Gate-Way Plaza in Pittsburgh, and following Christmas vacation the Sig Eps enjoyed a victorious basketball season.

The annual Sweetheart Ball and the Spring Formal rounded out a fine year for the men of Sigma Phi Epsilon.

Baseball

Buzz Ridl's 1958 Titan baseball team compiled an excellent 14-1 record for the finest victory and loss percentage in modern Titan history. The well-balanced Blue and White nine won the District 30 NAIA championship and was given consideration for the NCAA Regional Tournament at Springfield, Mass. The squad won the championship of Pennsylvania by coming from behind to edge Indiana State Teachers. Other key victories included a pair of one-run decisions over Duquesne University by 8-7 and 1-0 scores. The Titans turned giant killer against a highly touted University of Pittsburgh team by defeating the Panthers 6-4. The team had many stars including pitchers Ben Brenner and Bob Duvall, first baseman Jack Pogue, third baseman Glenn Smith, outfielder Tom Parks, and catcher George James. Brenner set a new school record for victories in a single season by turning back seven opponents and dropping only one. At one point Brenner hurled 25 1/3 scoreless innings which included a 1-0 victory over Duquesne. Duvall had a 5-0 record and Glenn Smith won two games.

Pogue and Parks backed the Titans with lofty hitting averages. Pogue was the leader with a .403 mark and Parks was close behind at .400 even. These two and Smith gave the Titans plenty of long ball power, while James showed superb skill in handling the pitchers and had many timely hits.

The only loss of the season came at Slippery Rock, May 12, when the game-weary Titans dropped an 8-4 decision. The Titans had previously beaten the Rockets 5-2 on the home diamond.

The Titan netters helped contribute to a winning spring season in 1958 by winning eight and losing five matches over district opposition. For the sake of statistics, the team played three thousand two hundred-forty games, two hundred seventy-six sets, and one hundred seventeen matches. One of the highlights of the season is emphasized in that the team won five of its last six matches. Prospects for next season are optimistic, since six lettermen will return.

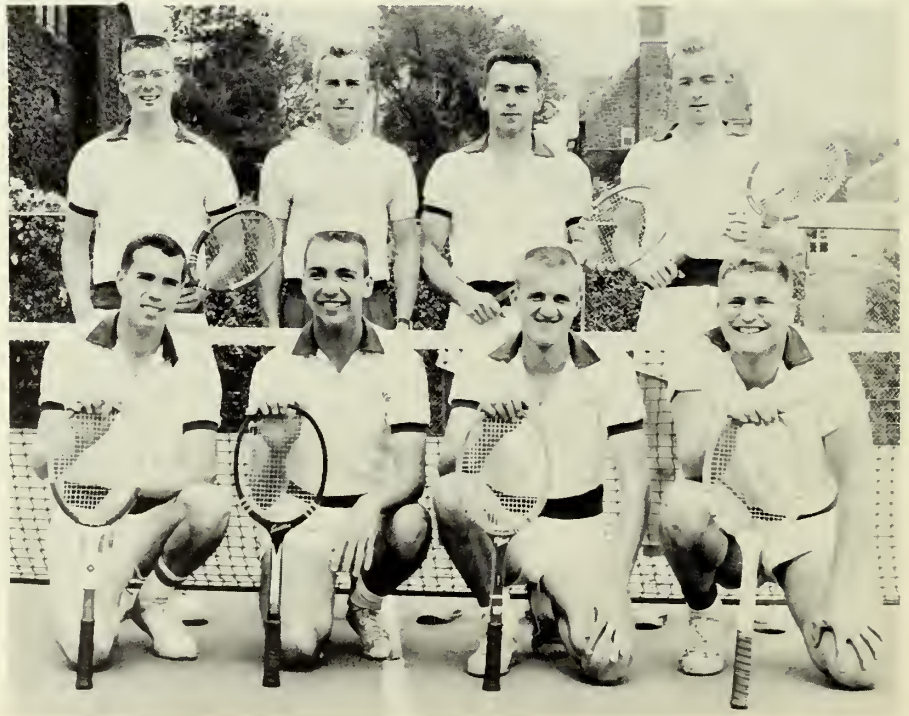

Coach James Garland did a fine job with a largely inexperienced team, having only three returning lettermen in Dale Garver, Chuck Herak, and Don Hoover. Freshmen Ray Pierson, Don McClure, Bill Repack and sophomores Bill Rankin and Dick Kauffman had no college tennis experience prior to this season, but performed admirably and were instrumental in the team's winning season.

Captain Dale Garver paced the team with twelve singles victories in thirteen matches. Ray Pierson with a 10-3 record, and Chuck Herak with 9-4, ranked second and third on the team.

Garver and Pierson led the team in doubles triumphs with eleven wins in thirteen tries.

Tri-State Champions

Track

The Track team, coached by Harold Burry, capped a highly successful spring sports season by sweeping the District Tri-State Championship for the fourth consecutive year, a feat no other squad has accomplished. The Titan thinelads posted a 7-2 record in dual competition, the only setbacks coming at the hands of the University of West Virginia and Slippery Rock State Teachers College.

In the Tri-State meet held at Westminster on May 17, Slippery Rock was favored to win the event, but the Titans piled up 66½ points to outclass the Rockets, who finished a distant second. Sophomores Felton Brown and Ron Minnie led the Titans to their upset victory. Brown won the 100 and 220 yard dashes in record-breaking time, while Minnie won the 220 yard low hurdles and placed second in both the 100 yard dash and the 120 yard high hurdles. Brown displayed Olympian speed in the sprints with a 9.5 seconds 100 yard dash time and 20.9 seconds in the 220 yard dash. Freshman Fred Wilkes was another high scorer for Westminster as he won the high jump and finished second in the broad jump.

Football

The Titans surprised their followers by scoring four successive victories at the beginning of the 1958 season. In the opener at Greenville a wet field bogged the Titan attack, but the Blue and White won the game, 14-6. One week later the Titans convinced their fans that they were again a district powerhouse when they returned home to crush Waynesburg, 46-0. Four touchdowns were scored in the final period, although Coach Burry had already cleared the bench. Following a victory over St. Vincent the next week, Westminster treated the Homecoming Day fans to a 7-0 victory over Geneva, clinching the West Penn Conference championship.

Two undefeated teams clashed on October 25, and at the end of the game both teams remained undefeated. Westminster and Juniata played to a 21-21 deadlock, as both teams performed brilliantly. Two long pass plays from Jack Bestwick to Jack Barnes featured the Titans' scoring, while Bill McConnell kicked the important extra points.

The Titans rolled over Indiana State Teachers College and Slippery Rock State Teachers College on successive weekends, but they finally met defeat the next week. On a rain-soaked field in a sea of mud Carnegie Tech squeezed out one touchdown to defeat Westminster, 6-0. However, the Titans finished with an excellent 6-1-1 record.

Quarterback Jack Bestwick was honored as the outstanding district player of the year, and President Will W. Orr was honored as the man who has done the most for small college football during the past year. He is the first president of the West Penn Conference. End Fred Fred Wilkes was also named to one of the all-district teams.

Cross-Country

With the close of the cross-country season Coach Cleve Oliver and his proteges can be proud of a successful campaign. The Titan harriers compiled a 7-3 record, captured a gold medal berth in the Western Pennsylvania Conference meet, and took second place in the annual Tri-State meet.

Pitt's, Carnegie Tech's and Slippery Rock's squads were the only successful teams to outrun the Blue and White speedsters. In the West Penn Conference, Westminster grabbed four out of the first five places to clinch first place among eight competing schools.

Paul Sanders and Tom Truxell were outstanding runners for the Titans, both winning the right to run in the NAIA meet at Omaha, Nebraska. Sanders captured 9th place in this nationwide contest.

The two senior members of the squad were Captain Jerry Paul and Pete Marshall. Others who were instrumental in the winning season were: Leroy Shaw, Dick Stone, Drew Byers, Joe Stewart, Bob Goode, and Chuckie Davis.

Coach Burry's swimming squad finished their winter campaign lacking victories, but hopeful of a bright future. The Titan swimmers won only one of seven meets but gained valuable experience, since the entire squad is made up of underclassmen.

Led by freshman Jim O'Donnell and sophomore Al Rose, the Burrymen impressed many observers with their late season form. The single victory came at Morgantown, West Virginia where the Titans defeated West Virginia 47-39.

Rod Willis, Jerry Trimble, Al Rose, and Bob Colman swam in the medley relay. Tom Mansell and Don McClure represented Westminster in the 60 yard freestyle, Al Rose and Bill Filbern swam the 200 yard butterfly, Bob Colman and McClure swam the 100 yard freestyle, Willis and Don Lydic swam the 200 yard backstroke, O'Donnell and Wayne Seeley swam the 400 yard freestyle, Rose and Trimble swam the 200 yard breaststroke and O'Donnell, Colman, Seeley and McClure swam in the 400 yard freestyle relay.

The freestyle relay event, worth seven points to the victor, was the deciding factor in the last two meets of the season. In losses to Allegheny, 40-37, and Grove City, 47-39, this event made a great deal of difference. Fred Scott and Paul Sanders were the Titan divers.

The Towering Titans under Coach Buzz Ridl compiled their best record since 1953. Paced by the high scoring of Dave Rankin and Chuck Davis, the Blue and White ended with an impressive 16-7 mark. This fine won-loss record earned the Titans first place in the West Penn Conference and the NAIA State championship.

An early season highlight was the 78-66 victory over the University of Pittsburgh. Davis was brilliant and stole the show from Pitt's All-American candidate Don Hennon. Davis had 33 points while Hennon bucketed 30.

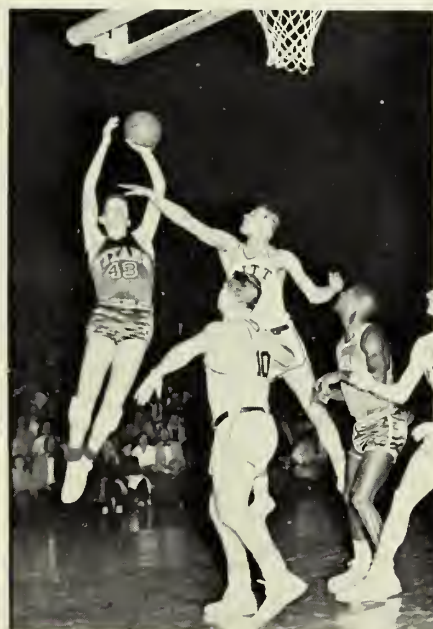

Senior Dave Rankin moved into second place in the all-time scoring column behind Jim Riley. Rankin was nominated for the NAIA little All-American award, and Davis was given honorable mention on the UPI All-American team. The 5'9" hustler from Brooklyn, N.Y. proved a constant thorn in the side of the opposition. In the second Pitt game, the Titans losing 72-68, Chuck again outscored Hennon 28-22.

In the first round of the NAIA play-offs the Blue and White squad avenged Geneva 64-46, and later swamped Mansfield STC, winning a bid to Kansas City. In the Kansas City NAIA tournament the Ridlmen emerged victorious over New Britain, Conn., but the second round found stiffer competition. Although losing 61-58 to a taller Southwest Texas State Teachers team, the Titans made an excellent showing.

Intramural Athletics

Intramural leagues in the three main seasonal sports of football, basketball and softball are sponsored by the physical education department. Both fraternity and independent teams enter into the competition. Trophies are awarded by the college to the first place team in each league, and the champions of fraternity competition are awarded a cup by the I.F.C. Along with fraternity teams are independent teams representing dormitories, campus organizations and the faculty.

W.A.A., Women's Athletic Association, sponsors intramural leagues in volleyball, basketball and softball. Both sorority and independent teams compete for the league championships. Participation is also active in intercollegiate W.A.A. events, including competitive swimming. To promote healthful exercise, the association also sponsors an annual Co-Rec. night.

Education Is

A Constructive Tool

Education is the knowledge of how to use the whole of oneself. Many men use but one or two faculties out of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty—how to open it, how to keep it sharp, and how to apply it to all practical purposes.
